

SOCIETY FOR CHEMICAL HAZARD COMMUNICATION

(SCHC) is a professional society committed to serving chemical hazard communication professionals and to promoting knowledge and awareness in all areas of chemical hazard communication.

CELEBRATING OVER 40 YEARS OF LEADERSHIP IN HAZARD COMMUNICATION.

Fast Facts About SCHC

- SCHC has an international membership and works with prominent chemical groups from around the globe.
- SCHC is recognized as an Alliance Ambassador by OSHA.
- Our group is 100% volunteer driven by HazCom professionals.
- Members can take advantage of opportunities in leadership, professional development, consultation and more.
- Each year, we strive to fulfill our pillar of education and networking at our Annual Meeting.
- Thousands of individuals receive our each issue of the SCHC HazCom newsletter and follow our social media.
- We strive for partnerships with HazCom focused groups to benefit our members.

WHY JOIN SCHC?

SCHC provides excellent opportunities for Hazard Communicators, EHS Managers, Academia, and Regulators to acquire training and expertise in domestic and international chemical hazard communication, to network with your peers and regulators, and to reach out to your regulated community.

The SCHC conference and member events offer opportunities to exchange ideas and discuss new developments.

Membership dues may be deducted as a business expense.

We welcome your membership in SCHC.
