### *Presentation abstract*

Many people viewed the end of the transition period for REACH on 31<sup>st</sup> May this year as “job done”, however this is far from the case. This presentation will provide a round up of the latest developments in the EU REACH and CLP Regulations.

The UK’s exit from the EU is also fast approaching, and as yet there is no certainty over the outcome. The presentation will discuss some of the possible scenarios and implications of BREXIT.
